

Hi, welcome to Obsidian!

---

## I'm interested in Obsidian

First of all, tell me a little bit about what's your experience with note-taking apps like?

- [I have no prior experience](#)
  - [I've used note-taking apps like Evernote and OneNote](#)
  - [I have used plain-text based apps](#)
- 

## Official Help Site

Check out the complete [Obsidian documentation](#) online, available in multiple languages.

---

## What is this place?

This is a sandbox vault in which you can test various functionality of Obsidian.

### Warning

Your changes will not be saved, so please don't take actual notes in this vault.

### Beta vault - contributions are welcome!

This sandbox vault is in beta!

If you spot a typo or a mistake, feel free to submit a pull request [here](#).
